

Your Dog: His Health and Happiness : The Breeders and Pet Owners Complete Guide to Better Dog Care

Here is everything you need to know to help you raise your dog to be a healthy, happy, well-adjusted individual who will, in return, help make you a contented and well-adjusted dog lover. Diving this encyclopedic guide into six parts, Dr. Vine begins in Part I by presenting general information on choosing a puppy, training him and caring for him. Proper care at an early age makes for a healthy pet later on. Health and temperament problems associated with adolescent and old dogs are also discussed.
