

Zebra Crossing: A BWWM Crime Romance

A sadistic killer roams the streets of an affluent suburb. He is stalking and killing young women. Detective Tami Johnson joins forces with her ex-boyfriend Detective Mike Crane to take him down. They soon find themselves needing each other in more ways than one. Without any viable leads, little to no evidence, and more suspects than they can handle, they must pool their resources to get this creep off the streets. With the clock ticking, can Tami rekindle her relationship with her ex and track down a deadly psychopath before he claims another life? A life that might be her own. Zebra Crossing is BWWM Romantic Crime Fiction.
