

## The Žižek Reader (Blackwell Readers)

The Žižek Reader - which includes a Foreword by Žižek and a new, previously unpublished essay on cyberspace - provides a comprehensive and accessible introduction to the flamboyant work of a figure who has been variously described as one of the most arresting, insightful and scandalous thinkers in recent memory and the Giant of Ljubljana. Collects work by one of the most arresting and scandalous thinkers of our time. Aids the reader to understand the often complex thinking of both Lacan and Žižek .
